Saturday, May 18, 2013 - 23:45

### Instrument List:

- [Green](#)

Discussion:

In order to ensure operational readiness of XPOL2 for the upcoming storm tomorrow, we decided to give waveguides some rest by editing out RHIs from the scan sequence at UTC 20130519-0436 (CDT 20130518-2336). RHIs will be added back to the scan sequence tomorrow morning.
